

What is Summer Citrus?

SUMMER CITRUS is a powerful citrus perfumed neutraliser of all unwanted odours. It has a beautiful citrus fragrance that lingers but is not over-powering.

Key Benefits

- ✓ Designed to be sprayed into the air
- ✓ Leaves no residues
- ✓ Actively seeks and destroys bad smells

How Does It Work?

SUMMER CITRUS Odour Neutraliser and Air Freshener is based on natural essential oils and sugar-derived natural alcohol together with odour absorbers. It has a warm and pleasant citrus fragrance.

For Use On...

SUMMER CITRUS is ideal for use as an air spray deodoriser. Wherever unwanted odours are found, such as in bathrooms, hospital wards, surgeries, toilets, rubbish bins, drains, vehicles and hotel rooms.

Technical Data

Properties

COLOUR – Transparent colourless liquid

ODOUR – Citrus perfume

pH = N/A

CAUTION – Flammable liquid

FLAMMABILITY – SUMMER CITRUS is flammable. Do not use near ignition sources such as cigarettes, fires, heaters, stoves, TV's, computers, welders, etc.

Dangerous Goods Classification

SUMMER CITRUS is a Class 3 flammable liquid.

U.N. No: 1993	CLASS: 3
PACK GRP: II	HAZCHEM: 3[Y]E

Environmental Care

SUMMER CITRUS conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. SUMMER CITRUS containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".

First Certified: 30 April 1996 SAI Certificate No.: QEC7358

Application

- Spray 1-2ml of SUMMER CITRUS into the air to control bad odours. Aim the spray at the ceiling so that the mist can disperse.
- Avoid spraying near pilot lights, flames, gas heaters or other ignition sources.
- A couple of squirts into a garbage bin will mask and neutralise unpleasant odours.
- SUMMER CITRUS may also be sprayed directly onto curtains, carpets and washable upholstery to neutralise odours.

Disposal Information

1. Used solutions -

Used Solutions of SUMMER CITRUS should be poured into a drain or trough that leads to the sewer system or a septic tank. These systems have a method for treating and breaking down the waste. Used solutions of detergent should not be poured into stormwater drains or down driveways as these drains are designed for rainwater and ultimately lead to the local river system.

2. Unused product

It is best to keep the product and use it up! If this is not possible, try to give it to someone who can use it. (Make sure the product is in its original, labelled container).

If there is no alternative but disposal, it is safe to pour modest quantities of this product down the drain (to sewer) with running water. Leave the cold tap running for a few moments afterwards as this dilutes the product and reduces the concentration in the wastewater.

Remember, do not mix different cleaning products together during disposal!

3. Empty packaging

Bottles and drums

Our 5L and 20L bottles and drums are made from HDPE (polyethylene) or PET which can be recycled. You can dispose of these containers via the kerbside collection program or other recycling system. SUMMER CITRUS containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd, significantly reducing plastic usage and waste.

Cardboard cartons

Used boxes should be flattened and recycled in OCC (old, corrugated cardboard) or mixed wastepaper recycling programs.

Available in: 1L, 5L

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
